

TANKS

Code **CLD013_019, CLG011_013, CLG016**

Very strong and durable tanks in different shapes, designed for long term use in demanding environments such as the food industry, laboratories and industrial applications.

Round tanks with spigot

Code **CLD013_016**

- Made of high-density polyethylene (HDPE)
- Food grade material
- Fitted with a 3/4" BSP threaded stopcock with 12 mm depth, including gasket to ensure an airtight seal
- Fitted with a plug with holes for the warranty seal
- With carrying handle
- Designed to operate at temperatures below 0 °C

Code	Capacity (L)	Ø ext (mm)	Height (mm)	Ø mouth (mm)
CLD013	5	167	355	51
CLD014	10	212	430	51
CLD015	25	275	580	80
CLD016	50	350	715	80

Spigot for tank

Code **CLD017**

- Made of high-density polyethylene (HDPE) with 9 mm diameter outlet orifice.

Code	Description
CLD017	With 3/4" thread

Rectangular tanks with spigot

Code **CLD018, CLD019**

- Made of high-density polyethylene (HDPE)
- Food grade material
- Fitted with a 3/4" stopcock

Code	Capacity (L)	Dimensions (LxWxH) (cm)	Ø mouth (mm)
CLD018	10	28x18x34	44
CLD019	20	32x18x45	46

BIDONES

Code CLD013_019, CLG011_013, CLG016

Round tanks without spigot, with wide neck

Code CLG009, CLG010

- Made of high-density polyethylene (HDPE)
- Food grade material
- Ideal for powders and granulates
- With carrying handle
- Fitted with a cap with holes for the warranty seal

Code	Capacity (L)	Ø ext (mm)	Height (mm)	Ø mouth (mm)
CLG009	5	167	350	85
CLG010	10	210	420	100

Rectangular tanks without spigot, stackable

Code CLG011_013

- Made of high-density polyethylene (HDPE)
- Food grade material
- Complies with the following transport regulations:
 - ADR-RID, land
 - IMO-IMDG, sea
 - IATA-ICAO, air

Code	Capacity (L)	Dimensions (LxWxH) (mm)	GL
CLG011	5	163x187x236	51
CLG012	10	187x227x320	51
CLG013	20	236x288x380	51

Tank with handles and autoclavable

Code CLG016

- Made of polypropylene (PP)
- Containing USP Class VI medical grade resins
- With wide handles for easy carrying and pouring and PP screw cap

Code	Capacity (L)	Ø ext (mm)	Height (mm)	Thread	Ø int mouth (mm)
CLG016	10	249	376	83B	65
